			Est. Retail	119.99	229.99	340.99

*The red lettering indicates the 340b price may not be a significant savings compared to AWP pricing. The red also reinforces (for most but not all) the principal of writing 90 day supplies for these drugs when possible, as the fee can be a significant portion of the lower cost prescriptions, and it is lessened over 60 and 90 day supplies.
